Forecast For The United Kingdom
Issued by Met Office Exeter
at 0400 on Thursday 15 Apr 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry and fine for most.

Today:
Most parts dry with sunny spells, and feeling fairly warm in light winds. Cooler and cloudier across southeastern and some central parts of England with a few showers breaking out.

Tonight:
Showers in the southeast soon dying out. Clear periods for many with widespread frost and a few fog patches developing.

Friday:
Dry with sunny spells and light winds. Windy in the far northwest with a few spots of rain possible.

Outlook for Saturday to Monday:
Fine and dry for much of England and Wales after the clearance of overnight frost and patchy fog. Scotland and Northern Ireland cloudier with rain at times. Mild nights here.
